

Humanities Research Centre Referees' Comments Form: Visiting Fellowships 2018

Deadline: 31 May 2017

It would be extremely helpful to the HRC Selection Committee if referees would provide comments specifically on the application submitted for consideration for our 2018 Visiting Fellowship Program.

In framing the response, referees may wish to comment on:

- the applicant's academic/professional track record;
- the relevance of the proposed project to the Annual Theme;
- the applicant's research performance, and potential;
- the applicant's suitability to participate within a friendly, cooperative, and collegial research environment.

The comments of referees are sought on a confidential basis. The Selection Committee will treat comments made by referees confidentially during its deliberations. However, these comments may be accessible under the terms of the Commonwealth's Freedom of Information legislation.
